### ONLINE COURSES FOR ENTRANCE EXAMS

Jaro Education launched two online courses , International Financial Reporting Standards (IFRS) , a course that covers all the basic concepts of International Accounting Standards and Route2Jobs, meant for all employment entrance exams. Jaro Education has tied-up with United Business Institutes ( UBI) Belgium to deliver these courses.

The IFRS course is targeted towards CEOs, CFOs and professionals in the field of accounting . Route2Jobs is a self – paced , learning module designed for candidates preparing for various employment entrance exams such as Bank PO, LIC , GIC, SSC, UPSC, MPSC etc. It comprises online lectures, practice tests and model tests. You can attend classes online at your own convenience.
