Respected Sir,

Jaro Institute of Technology, Management & Research Private Limited is a Company registered under Companies' Act, 1956. Our company is running its education initiative under the brand name of Jaro Education.

Jaro Education is an autonomous institute providing International MBA program in association with United Business Institute, Brussels, Belgium. Jaro Education has multiple accreditations from authorities like;

United Kingdom Accreditation Service (UKAS) through ACS Registrars
Accreditation Service for Certifying Bodies (ASCB) through Nimbus Certifications
Association Of New Zealand (ASANZ) through Max Certifications

It does not have any accreditations from the Distance Education Council, UGC, AICTE or any other Indian educational body.

In fact we have already put up our accreditation disclaimer on our company's official website www.jaro.in about the same. We have further stated that Jaro Education does not claim any responsibility of accuracy of the information provided on any other website or blog about Jaro Education or its programs.
